Grading

Attendance	**5%**
ALEKS homework	**5%**
Sample Test Booklet	**5%**
Regular exams (3 or 4 exams at 20% or 15% each)	**60%**
Final Exam	**25%**

Scale: A: 90% - 100%; B: 80% - 89%; C: 70% - 79%; D: 60% - 69%; F: below 60%

Rules to remember

Make-ups: A missed test is recorded as a zero. In rare cases a test may be taken early. The final exam score is used to replace the score of ONE missed test.

Attendance: Attendance means arriving on time and staying until dismissed. After the first three unexcused absences, the attendance grade drops five percentage points per unexcused absence. University-sanctioned absences are excused if documentation is submitted before the event. Medical absences are judged case by case (e.g., ER documentation due within one day of release). Face-to-face course: no virtual attendance or testing.

- NO cell phones during lecture time.
- Smart glasses and recording-capable wearables are not permitted in class.
- Recording or transcribing lectures requires instructor permission and notifying everyone each time.
- Cheating in any form will not be tolerated (UL Lafayette academic honesty

policy).
- Online homework is graded for mastery per section.

Materials
